Success Points for student
success?

Student Success Points

Success Point Milestones

Student Success Points were established in 2013 as the performance-based funding system for Texas community colleges.

Based on the premise that educational achievement at community colleges includes more than the awarding of credentials or successful transfer.

Student Completion

Never pictured myself being the first one in my family to graduate from college. But thanks to my friends & family who pushed me to keep on going & not to give up. I can't say it was easy but I know I couldn't let them down. This one's for you granny 🙏❤️ #BCGators2019

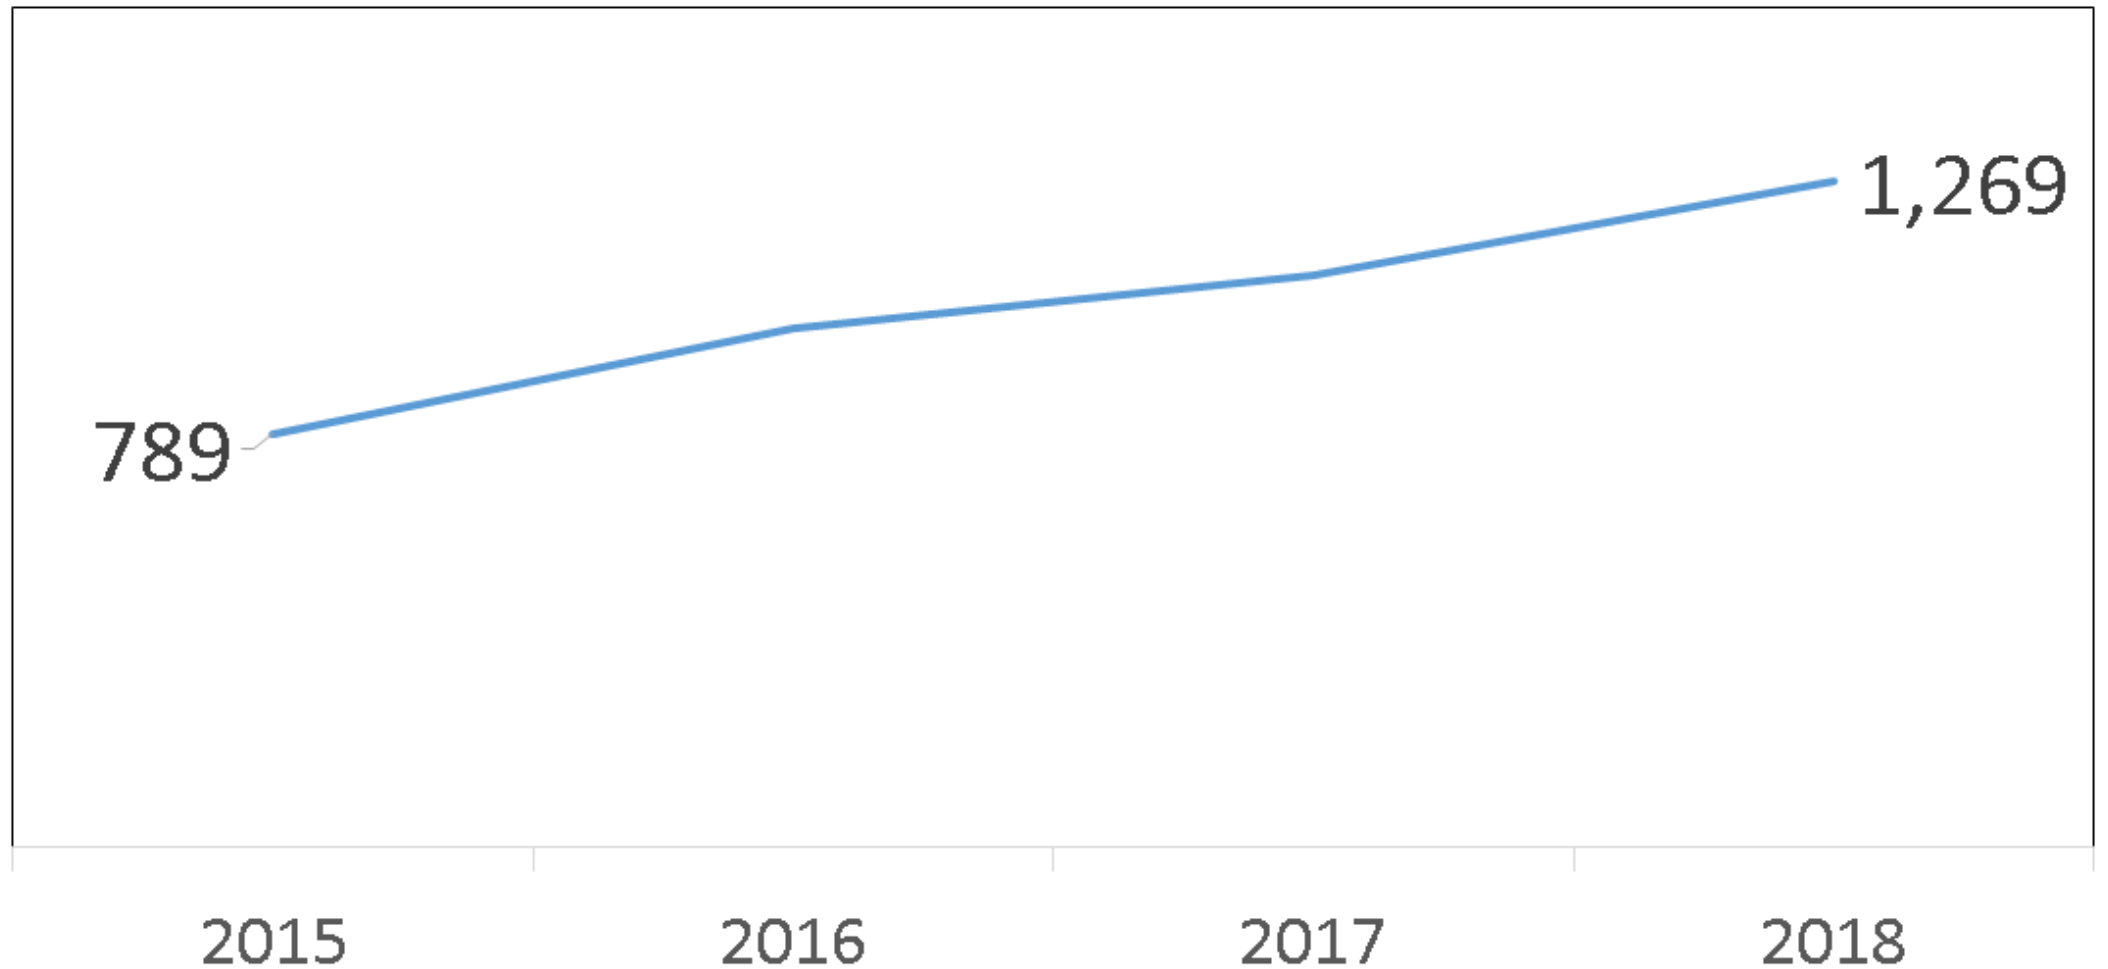

two diplomas down, one more to go 🙏❤️ #BCGators2019 #uhcl21

Congratulations Haleigh Ammons! We're so proud of you! #bcgators2019
